

Sanjivani's SPECTRUM

(A fortnight News Bulletin of Sanjivani College of Engineering, Kopergaon)

Volume 2 Issue 10 16th Feb to 28th February 2025

FROM THE CHAIRMAN

Congratulations to all our achievers for their remarkable accomplishments in academics, certifications, and global opportunities. Your hard work and dedication inspire excellence. Let's continue to strive for success, embrace innovation, and make Sanjivani College of Engineering a beacon of achievement.

Shri Nitinrao S. Kolhe
The Chairman

FROM THE MANAGING TRUSTEE

Heartfelt congratulations to all our students for their outstanding achievements in academics, certifications, and international recognitions. Your commitment to excellence reflects the spirit of Sanjivani College of Engineering. Let's continue to nurture talent, inspire innovation, and build a brighter future together.

Shri Amit Kolhe
The Managing Trustee

FROM THE DIRECTOR'S DESK

It fills me with immense pride to witness the remarkable achievements of our students in various academic and global arenas. Your dedication, hard work, and passion for excellence are truly commendable. Let's continue to strive for greater heights, fostering innovation and success in every endeavor..

Dr. A.G. Thakur
The Director, SCOE

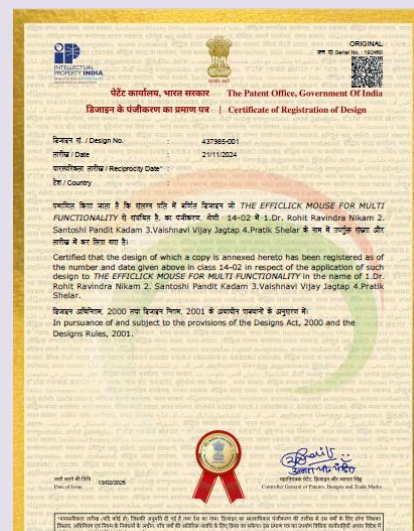

Celebrating Global Excellence!: Mr. Pratham Gade

We are happy to announce that Mr. Pratham Gade, a distinguished student of Information Technology, has been honored with the "Excellent Performance Grade" Award during his international internship at National Chung Cheng University, Taiwan. This prestigious recognition, awarded on 21st February 2025.

Innovation at Its Best!: Patent for THE EFFICLICK MOUSE FOR MULTI-FUNCTIONALITY

We are delighted to share the exciting news that the design patent for "THE EFFICLICK MOUSE FOR MULTI-FUNCTIONALITY" has been officially granted! Congratulations to Dr. Rohit Ravindra Nikam and our brilliant students, Ms. Santoshi Pandit Kadam, Ms. Vaishnavi Vijay Jagtap, and Mr. Pratik Shelar, for their outstanding contribution to this innovative project. .

Celebrating Global Success: Japanese Language NAT N5 Examination!

We are thrilled to announce that Mr. Raundal Tejas Yadav, a student from TY, has successfully qualified the Japanese Language NAT N5 Examination! This remarkable achievement reflects his hard work, dedication, and passion for language learning, paving the way for exciting international opportunities in the future. A heartfelt congratulations to Tejas for this outstanding accomplishment! Special thanks to the Training and Placement Department for their continuous support and guidance in helping students achieve their global aspirations. !

Celebrating Global Achievement!: Training and Placement

We are thrilled to announce that Mr. Atharv Patil and Ms. Samradni Dahiphale have successfully earned their Goethe German A1 Level Global Certification in February 2025! This remarkable achievement reflects their dedication, hard work, and proficiency in the German language, opening doors to exciting international opportunities. A heartfelt congratulations to Atharv and Samradni for this outstanding accomplishment! Special thanks to the Training and Placement Department for their continuous support and guidance in helping students achieve their global aspirations.

Empowering future Engineers!: Matlab Workshop

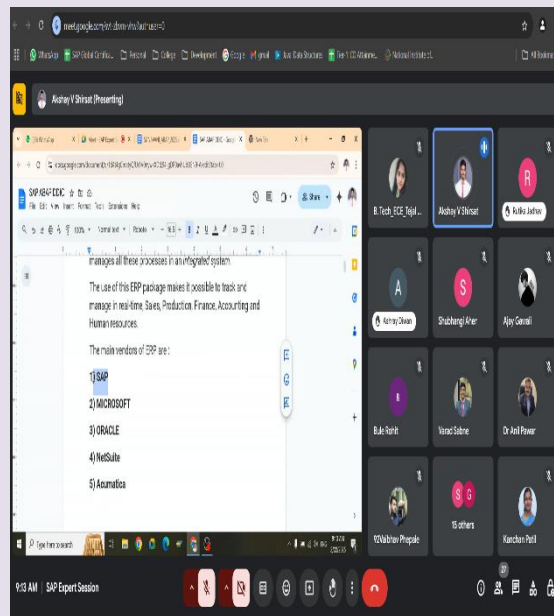

A Matlab Workshop was successfully conducted by the Electrical Engineering Department for first-year, second-year, and third-year students from 27th February 2025 to 28th February 2025. The workshop provided hands-on experience and in-depth knowledge of Matlab, a powerful tool used for computational tasks in electrical engineering. It was an excellent opportunity for students to enhance their skills and apply them to real-world engineering problems, fostering learning and growth in the field of technology.

SAP Hands-On Session: A Step Towards Excellence!

On 22nd February 2025, the Department of Information Technology, Sanjivani College of Engineering, Kopergaon organized an insightful Hands-On Session on SAP in online mode, exclusively for Tech Mahindra shortlisted students from all branches. The session, conducted at 9 AM, was led by Mr. Akshay Shirsath, an SAP ABAP Developer at Vestries, who shared his expertise with the students. A total of 35+ students actively participated, along with esteemed faculty members: Dr. M. A. Jawale, Head of the Department of Information Technology, Dr. A. B. Pawar, Dean Academics and SAP In-Charge, Mrs. Sailee Salkar, SAP Co-Incharge, and Mrs. Kanchan Patil, SAP Department Coordinator. The session began with a warm welcome by Dr. A. B. Pawar, who introduced Mr. Akshay to the participants. Dr. M. A. Jawale addressed the students, inspiring them to excel in their upcoming interviews. Mr. Akshay delivered an engaging practical demonstration covering key ABAP topics, including DDIC, Classical & Interactive Reports, Modularization, Debugging, ALV Reports, MPP, OOP-ABAP, Enhancements & Modifications, and an overview of ABAP on HANA.

Expert Session on "App Development: Empowering Future Innovators!"

Under the banner of ITERA, the Department of Information Technology organized an enlightening expert session on "App Development" for all TY IT students on 21st February 2025. The session was conducted by Miss Shivani Shah, an accomplished alumna from the 2023 batch, currently working as a Packaged App Development Analyst at Accenture Solutions Private Limited. With an impressive attendance of 103 students, the session provided valuable insights into the dynamic world of app development, sharing real-world experiences and industry trends. Miss Shivani's expertise and practical knowledge inspired the students, equipping them with the skills needed to excel in the ever-evolving tech landscape. A big thanks to Miss Shivani for her invaluable contribution and to all the students who actively participated in making the session a grand success!

Celebrating Marathi Rajbhasha Divas with Robotics Excellence!- Mechatronics

On the occasion of Marathi Rajbhasha Divas, a special Unit-Based Robotics Honors Activity was conducted for SY Mechatronics (Honors) students. The session featured an engaging demonstration and hands-on training on PS2 Controlled Robot, expertly guided by Prof. Puja Thorat, along with dedicated student coordinators Pranit Bharate and Bhakti Bahirat. Adding a patriotic flair to the event, the robot was programmed to move with a photo of Chhatrapati Shivaji Maharaj, the legendary King of the Maratha Empire, symbolizing the spirit of Maharashtra and its rich heritage. This activity beautifully blended the worlds of technology and tradition, inspiring students to innovate while honoring their roots. A big thanks to all the participants and organizers

for making this event both educational and memorable!!

Congratualtions: N4 level certification

Congratulations to Mr. Shubham Ingale, a third-year student of Electrical Engineering, for being certified in the NAT Exam February 2025 at the N4 level! This accomplishment highlights his dedication and commitment to excellence in his academic and professional journey. Well done, Shubham!.
